

OLMC CHRONICLE

SOCIAL SCIENCE – MOCK TRIAL

On April 11, the OLMC Law Team achieved an impressive victory by securing first place in the OJEN Mock Trial tournament. Leading up to the event, our school dedicated time and effort to prepare compelling arguments for both prosecution and defense, based on a given case brief. During the tournament, the team had the opportunity to compete against various teams from other schools in front of different panels of judges. This experience was incredibly valuable for participants, as it allowed them to learn from professionals, including lawyers, judges, and police officers, giving further insight into the working of the justice system. Our law team showed exceptional public speaking and advocacy skills, securing their name on the Davis Cup trophy!

EUROPE TRIP MARCH BREAK 2025

This March Break, students from Our Lady of Mount Carmel and St. Aloysius Gonzaga embarked on an eight-day educational trip to Italy. They immersed themselves in Italy’s rich history, geography, culture, and cuisine.

In Florence, students marveled at the statue of David at the Academia Gallery and delved into Renaissance history. In Verona, they visited Juliet’s balcony, the setting of Shakespeare’s famous play. The tour continued to Venice, where students explored the Doge’s Palace and learned about the Venetian economy of the era.

The journey then took them to Assisi, where they admired the stunning Basilica. In Rome, students explored Roman history by visiting iconic sites such as the Colosseum, the Spanish Steps, the Trevi Fountain, and Piazza Navona. The trip concluded in Vatican City, where students walked through the Jubilee doors and toured the Vatican Museum.

Students had an incredible experience, creating unforgettable memories.
